

THE BAR HAS BEEN SET

Stedfast is proud to introduce the most innovative moisture barrier in the world. The newest breakthrough in barrier technology to meet and surpass NFPA 1971 test requirements.

Non-fluorinated
membrane technology

Component certification by UL
for NFPA 1971-2018 with a
non-fluorinated membrane

**Revolutionary advancement in protection designed with
state-of-the-art non-fluorinated technologies.**

- Flame Resistance
- Heat/Thermal Resistance
- Cleaning/Shrinkage Resistance
- Liquid Penetration Resistance
- Light Degradation Resistance (UV)
- Tear Resistance
- Viral Penetration Resistance
- Water Penetration Resistance
